Your Premier Resource for Disability Services

Easterseals MORC is a non-profit health and human services organization. We provide a comprehensive array of supportive services to help children and adults with mental illness, physical and development disabilities and/or special needs, and their families. We have over 100 years of experience and leadership in the behavioral health field. Our purpose is to lead the way to 100% equity, inclusion, and access for people with disabilities, families and communities. Annually, we serve over 25,000 individuals throughout the state of Michigan with disabilities. For every dollar raised 96 cents goes directly back into our services. You can feel good about donating to us and the impact you are making!
