## CCBHC (Oakland and Macomb County) Sliding Fee Scale

**Sliding Fee Scale (SFS) for qualified persons who are uninsured or under-insured, receiving non-covered behavioral health services:**

The Sliding Fee Scale daily visit amount (Daily Visit Amount) is based on your ability to pay as laid out by the Chart below. Annual Income Limits in the chart are based on the 2025 Federal Poverty Level guidelines and are updated annually. Your daily visit amount will be updated at least annually or whenever your financial situation changes. Documentation of your Annual Income and Family Size are required before a final daily visit amount is approved. Your MI State tax return (MI 1040) will be used as documentation.
