#### **INDEPENDENT AUDITORS' REPORT**

Board of Directors Easterseals Blake Foundation and Affiliates Tucson, Arizona

#### Report on Audit of Consolidated Financial Statements *Opinion*

We have audited the accompanying consolidated financial statements of Easterseals Blake Foundation and Affiliates, which comprise the consolidated statement of financial position as of June 30, 2023, and the related consolidated statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the financial position of Easterseals Blake Foundation and Affiliates as of June 30, 2023, and the changes in their net assets and their cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Easterseals Blake Foundation and Affiliates and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Change in Accounting Principle

As discussed in Note 1 to the consolidated financial statements, in 2023 the Organization adopted new accounting guidance for leases. The guidance requires lessees to recognize a right-of-use asset and corresponding liability for all operating and finance leases with lease terms greater than one year. Our opinion is not modified with respect to this matter.

#### Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Organization's ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

#### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Easterseals Blake Foundation and Affiliates' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Easterseals Blake Foundation and Affiliates' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated September 25, 2024, on our consideration of Easterseals Blake Foundation and Affiliates' internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Easterseals Blake Foundation and Affiliates' internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Easterseals Blake Foundation and Affiliates' internal control over financial reporting and compliance.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Nature of Activities**

Easterseals Blake Foundation is a nonprofit, community-based organization which provides exceptional services, education, outreach, and advocacy so that people with disabilities can live, learn, work, and play in our communities. Founded in 1950, Easterseals Blake Foundation works in 10 counties of Southern Arizona. Services include comprehensive behavioral health services for children, adults, and families; supported day, employment, and community living programs for individuals with intellectual or physical disabilities; inclusive, quality child-care; early intervention and family preservation services.

Blake Holding Corporation holds title to and manages real and personal property in support of the programs of Easterseals Blake Foundation; an organization related through common management.

Aviva Children's Services is a nonprofit organization incorporated in 1999. The mission of Aviva Children's Services is to improve the quality of life for children who are victims of neglect, abuse, and poverty and in the care of Arizona's Department of Child Safety. Aviva Children's Services responds to the needs of children in foster care by providing programs and resources to enhance their self-esteem and well-being, as well as supplying clothing, shoes, blankets, and personal care items. As of April 1, 2020, Aviva Children's Services began providing behavioral health services to children in foster care and kinship placements. Aviva Children's Services is an organization related through common management.

#### **Basis of Accounting**

The consolidated financial statements of the Organization have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

#### **Basis of Presentation**

The consolidated financial statements include the accounts of Easterseals Blake Foundation and its commonly managed affiliates, Blake Holding Corporation and Aviva Children's Services (collectively referred to as the Organization). All intercompany accounts and transactions have been eliminated in consolidation.

The consolidated financial statements of the Organization have been prepared in conformity with accounting principles generally accepted in the United States of America (U.S. GAAP) as applied to nonprofit entities. The Financial Accounting Standards Board (FASB) is the accepted standard-setting body for establishing nonprofit accounting and financial reporting principles. The Organization is required to report information regarding its financial position and activities according to two classes based on the existence or absence of donor-imposed restrictions.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Basis of Presentation (Continued)**

Accordingly, net assets of the Organization and changes therein are classified as follows:

Net Assets Without Donor Restrictions – Net assets that are not subject to donor-imposed stipulations. The board of directors has designated, from net assets without donor restrictions, net assets for an operating reserve of \$3,500,000 to address the defensive interval requirements of a minimum of 30 days of cash and cash equivalents available. In addition, a portion of the net assets without donor restrictions has been designated by the board of directors as expended for property, equipment, and intangibles to reflect the total carrying value after accumulated depreciation and amortization of all property, equipment, and intangibles, net of directly related liabilities. Remaining net assets without donor restrictions are available for general operations of the Organization.

Net Assets With Donor Restrictions – Net assets subject to donor-imposed stipulations. Some donor restrictions are temporary in nature; those restrictions will be met either by actions of the Organization and/or the passage of time. Other donor restrictions are perpetual in nature, whereby the donor has stipulated the funds must be maintained in perpetuity.

Donor-restricted contributions are reported as an increase in net assets with donor restrictions. When a restriction expires (that is, when a stipulated time restriction ends or purpose restriction is accomplished), net assets are reclassified to net assets without donor restrictions and reported in the consolidated statement of activities as net assets released from restrictions.

#### **Use of Estimates**

In preparing consolidated financial statements in conformity with U.S. GAAP, management is required to make estimates and assumptions. Those estimates and assumptions affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities, and the reported revenues and expenses. Actual results could differ from those estimates and assumptions.

#### Cash and Cash Equivalents

For purposes of the consolidated statement of cash flows, the Organization considers all highly liquid investments with an initial maturity of three months or less to be cash equivalents.

#### **Restricted Cash**

Restricted cash consists of amounts held in Organization bank accounts on behalf of supported employment and community living service clients. At year-end, the restricted cash balance was \$21,613.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Investments**

The Organization reports investments at fair value. Net investment income return is reported in the consolidated statement of activities and consists of interest and dividend income, realized and unrealized capital gains and losses, less investment expenses.

#### **Concentrations of Credit and Market Risk**

Financial instruments that potentially expose the Organization to concentrations of credit and market risk consist primarily of cash equivalents and investments. The Organization maintains its cash and cash equivalents in bank deposit accounts, which, for short periods of time, may exceed federally insured limits. To minimize risk, cash accounts are maintained at high-quality financial institutions and credit exposure is limited to any one institution. The Organization reduces market risk through diversifying the portfolio among issuers. The Organization's uninsured cash balances approximated \$9,425,000 at June 30, 2023.

#### Revenue Recognition

#### Grants

Grants revenue is derived from cost-reimbursable federal and state contracts and grants, which are conditioned upon certain performance requirements and/or the incurrence of allowable qualifying expenses. Amounts received are recognized as revenue when the Organization has incurred expenses in compliance with specific contract or grant provisions. Amounts received prior to incurring qualifying expenses are reported as refundable advances in the consolidated statement of financial position. The Organization received cost-reimbursable grants of \$2,014,504 that have been recorded as a refundable advance at June 30, 2023 because qualifying expenses have not yet been incurred.

#### Fee for Service Contracts

The Organization is a provider of fee for service contracts in which the amount to be paid by the vendor is determined by a formula based on units of service provided by the Organization. Fee for service contracts is recognized as revenue and receivables as the services are rendered and billed using the agreed-upon rate per unit. The vendor is billed monthly for the units of service provided during the preceding month.

#### **Contributions**

The Organization recognizes contributions when cash, securities, or other assets; an unconditional promise to give; or a notification of a beneficial interest is received. Conditional promises to give - that is, those with a measurable performance or other barrier and a right of return - are not recognized until the conditions on which they depend have been met. The Organization did not have any conditional promises to give at June 30, 2023.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Pledges Receivable

Unconditional promises to give (pledges receivable) that are expected to be collected in less than one year are reported at net realizable value. Unconditional promises to give that are expected to be collected in periods greater than one year are recorded at net present value of expected cash flows. Management does not believe an allowance for uncollectible amounts is necessary based on historical experience with donors, and accordingly has made no allowance for doubtful accounts. As of June 30, 2023, the Organization did not have any contributions receivable.

#### **Grants Receivable**

Grants receivable is stated at the amount management expects to collect from outstanding balances. Grants receivable is considered by management to be collectible in full and, accordingly, an allowance for doubtful accounts is not considered necessary. Grants receivable is expected to be collected in less than one year.

#### **Contracts Receivable**

Contracts receivable is stated at the amount management expects to collect from outstanding balances. Management provides for probable uncollectible amounts through a provision for bad debt expense and an adjustment to a valuation allowance based on its assessment of the current status of individual accounts, historical trends, and available information. Balances that are still outstanding after management has used reasonable collection efforts are written off through a charge to the valuation allowance and a credit to accounts receivable. At year-end, the valuation allowance for accounts receivable was \$1,008,179. Contracts receivable are expected to be collected in less than one year. Net contracts receivable at the beginning of the year was \$2,370,084.

#### **Property and Equipment**

All acquisitions of property and equipment with a cost in excess of \$5,000 and all expenses for repairs, maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Property and equipment are carried at cost or, if donated, at the approximate fair market value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the respective assets, ranging from 2 to 40 years.

The Organization reviews long-lived assets for impairment whenever events or changes in circumstances indicate that the carrying amount of an asset may not be recoverable. Recoverability of assets to be held and used is measured by a comparison of the carrying amount of an asset to future net cash flows expected to be generated by the asset. If such assets are considered to be impaired, the impairment to be recognized is measured by the amount by which the carrying amount of the assets exceeds the fair value of the assets. Assets to be disposed of are reported at the lower of the carrying amount or fair value less costs to sell. Management does not believe impairment indicators are present at June 30, 2023.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### Goodwill

Goodwill represents the excess of the cost over fair value of the net assets the Organization acquired in the acquisition of Supported Living Systems, Inc. (SLS) in 2013. Subsequent to the acquisition, the activities of SLS became a program of Easterseals Blake Foundation. Gross goodwill recorded was \$455,000. Goodwill is amortized over 10 years. Amortization expense for the year ended June 30, 2023 was \$45,500 and Is included in depreciation and amortization in the consolidated statement of functional expenses. Total accumulated amortization is \$91,000.

Management periodically reviews the carrying value of goodwill to determine whether impairment may exist. The Organization considers relevant cash flow and profitability information, including estimated future operating results, trends, and other available information, in assessing whether the carrying value of goodwill can be recovered. The Organization has determined that the value of goodwill at June 30, 2023 was not impaired.

#### **Deferred Gain**

During the year ended June 30, 2017, the Organization entered into sale-leaseback agreements in connection with the sale of 17 properties. Under the terms of the agreement, the Organization sold the properties and leased them back with lease terms ranging from 7 to 10 years. The leasebacks have been accounted for as operating leases. The total gain on the sale was \$403,312, of which \$121,974 was remaining at July 1, 2022. The deferred gain was recognized upon adoption of ASC 842, *Leases*.

#### Other Assets

Other assets consist of security deposits paid for leased properties.

#### **Compensated Absences**

Employees are entitled to personal time off (PTO), depending on job classification, length of service, and other factors. It is the Organization's policy to recognize the cost of compensated absence when leave is earned by employees up to a maximum amount to be paid out of 40 hours per employee.

#### **In-Kind Contributions**

Donations of property and equipment are recorded as contributions at fair value at the date of donation. Such donations are reported as increases in net assets without donor restrictions unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment are reported as increases in net assets with donor restrictions. Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service. The Organization reclassifies net assets with donor restrictions to net assets without restrictions at that time.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### <u>In-Kind Contributions (Contributed)</u>

Volunteers may contribute time to the Organization's program services, administration, and fundraising activities; however, the consolidated financial statements do not reflect the value of these contributed services because they do not meet recognition criteria prescribed in U.S. GAAP.

#### **Functional Allocation of Expenses**

The costs of providing various programs and other activities have been summarized on a functional basis in the consolidated statement of activities and in the consolidated statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Such allocations are determined by management on an equitable basis.

The expenses that are allocated include the following:

Expense	Method of Allocation
Salaries and Wages	Full-Time Equivalent
Employee Benefits	Full-Time Equivalent
Payroll Taxes	Full-Time Equivalent
Occupancy	Square Footage
Automobile	Time and Effort
Professional Services	Time and Effort
Supplies	Full-Time Equivalent
Information Technology	Time and Effort
Other Operating	Time and Effort

#### <u>Advertising</u>

The Organization uses advertising to promote its programs among the audiences it serves. The production costs of advertising are expensed as incurred. During the current fiscal year, advertising costs totaled \$48,325.

#### **Income Tax Status**

Easterseals Blake Foundation, Blake Holding Corporation, and Aviva Children's Services are exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code (IRC) and similar State of Arizona tax provisions. In addition, Easterseals Blake Foundation, Blake Holding Corporation, and Aviva Children's Services qualify for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2). The Form 990s, Return of Organization Exempt from Income Taxes are generally subject to examination by the Internal Revenue Service (IRS) for three years after the dates filed. There was no income taxes paid during the year ended June 30, 2023.

The Organization's policy is to disclose or recognize income tax positions based on management's estimate of whether it is reasonably possible or probable, respectively, that a liability has been incurred for unrecognized income tax positions. As of June 30, 2023, there were no material uncertain tax positions.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Adoption of New Accounting Standards**

In February 2016, the Financial Accounting Standards Board (FASB) issued ASU 2016-02, *Leases* (Topic 842). This new standard increases transparency and comparability among organizations by requiring the recognition of right-of-use (ROU) assets and lease liabilities on the consolidated statement of financial position. Most prominent among the changes in the standard is the recognition of ROU assets and lease liabilities by lessees for those leases classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of financial statements to assess the amount, timing, and uncertainty of cash flows arising from leases.

The Organization adopted the requirements of the guidance effective July 1, 2022, and has elected to apply the provisions of this standard to the beginning of the period of adoption, through a cumulative effect adjustment, with certain practical expedients available.

The Organization has elected to adopt the package of practical expedients available in the year of adoption. The Organization has elected to adopt the available practical expedient to use hindsight in determining the lease term and in assessing impairment of the Organization's ROU assets.

The Organization elected the available practical expedients to account for existing capital leases and operating leases as finance leases and operating leases, respectively, under the new guidance, without reassessing (a) whether the contracts contain leases under the new standard, (b) whether classification of capital leases or operating leases would be different in accordance with the new guidance, or (c) whether the unamortized initial direct costs before transition adjustments would have met the definition of initial direct costs in the new guidance at lease commencement.

As a result of the adoption of the new lease accounting guidance, the Organization recognized on July 1, 2022 a lease liability of \$4,993,265, which represents the present value of the remaining operating lease payments discounted using the Organization's risk free discount rate, and a right-of-use asset of \$4,799,462, which represents the operating lease liability adjusted for accrued rent of \$71,829 and deferred gains on sale leaseback transactions of \$121,974. In connection with the adoption, the Organization recorded a cumulative effect of adoption entry of \$121,974 on the net asset balance as of July 1, 2022 related to deferred gains on sales-leaseback agreements from 2017 in accordance with the transition guidance.

#### NOTE 1 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

#### **Leases**

The Organization determines if an arrangement is a lease at inception. Operating leases are included in right-of-use (ROU) assets – operating and lease liability – operating in the consolidated statement of financial position. ROU assets represent the Organization's right to use an underlying asset for the lease term and lease liabilities represent the Organization's obligation to make lease payments arising from the lease. ROU assets and liabilities are recognized at the lease commencement date based on the present value of lease payments over the lease term. Lease terms may include options to extend or terminate the lease when it is reasonably certain that the Organization will exercise that option. Lease expense for operating lease payments is recognized on a straight-line basis over the lease term. The Organization has elected to recognize payments for short-term leases with a lease term of 12 months or less as expense as incurred and these leases are not included as lease liabilities or right of use assets on the consolidated statement of financial position.

The individual lease contracts do not provide information about the discount rate implicit in the lease. Therefore, the Organization has elected to use a risk-free discount rate determined using a period comparable with that of the lease term for computing the present value of lease liabilities

The Organization has elected not to separate nonlease components from lease components and instead accounts for each separate lease component and the nonlease component as a single lease component.

#### **Subsequent Events**

In preparing these consolidated financial statements, the Organization has evaluated events and transactions for potential recognition or disclosure through September 25, 2024, which is the date the consolidated financial statements were available to be issued.

During the year ended June 30, 2024, the Organization closed the programs associated with the goodwill from the purchase of Supported Living Systems, Inc. and recorded an impairment loss for the carrying value of the goodwill.

#### NOTE 2 LIQUIDITY AND AVAILABILITY

The following represents the Organization's financial assets as of June 30, 2023, and available to meet general expenditures within one year of the consolidated statement of financial position date.

\$ 10,196,444
1,539,559
 3,370,907
\$ 15,106,910
\$ 118,195
(118,195)
\$ 15,106,910
\$

The Organization regularly monitors liquidity required to meet its operating needs and other contractual commitments, while also striving to maximize the investment of its available funds. The Organization's goal is generally to maintain financial assets to meet 30 days of operating expenses. This standard was established based on defensive interval requirements specified in contracts with the Organization's largest payers. The Organization does not have a formal policy regarding excess cash. The Organization has a \$2.0 million credit line available to meet cash flow needs. The line of credit has a variable interest rate based on LIBOR with interest due monthly and principal due upon maturity.

#### NOTE 3 INVESTMENTS AND FAIR VALUE MEASUREMENTS

Fair value is defined as the price that the Organization would receive to sell an asset or pay to transfer a liability in an orderly transaction between market participants at the measurement date. Accounting standards establish a three-tier fair value hierarchy that prioritizes the inputs to valuation techniques. Inputs refer broadly to the assumptions that market participants use to make valuation decisions, including assumptions about risk. Observable inputs are those that reflect the assumptions that market participants would use in pricing the asset and are based on market data obtained from independent sources. Unobservable inputs reflect the Organization's assumptions about the inputs market participants would use in pricing the asset or liability developed based on the best information available in the circumstances.

The three-tier hierarchy of inputs is summarized in the three broad levels listed below:

Level 1 – Quoted prices in active markets for identical investments.

#### NOTE 3 INVESTMENTS AND FAIR VALUE MEASUREMENTS (CONTINUED)

Level 2 – Quoted prices for similar assets or liabilities in active markets, quoted prices for identical or similar assets or liabilities in inactive markets, inputs other than quoted prices that are observable for the asset or liability.

Level 3 - Unobservable inputs for the asset or liability.

The level of fair value hierarchy within which a fair value measurement in its entirety falls is based on the lowest level input that is significant to the fair value measurement in its entirety.

The Organization recognizes transfers between levels in the fair value hierarchy at the end of the reporting period. There were no transfers between levels for the year ended June 30, 2023.

The following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the valuation methodologies used at June 30, 2023.

Equities and Mutual Funds: Valued at the closing price reported on the active market on which the individual securities are traded.

Oil and Gas Interests: Valued by the custodian using the discounted cash flow approach.

Fair values of assets measured on a recurring basis at June 30, 2023 are as follows:

				Fair Value Me	asurem	ents at Rep	ort Da	te Using
	Fair Value		Fair Value Level 1		Level 2		Level 3	
Investments:								
Equities	\$	6,463	\$	6,463	\$	-	\$	-
Mutual Funds		1,041,161		1,041,161		-		-
Oil and Gas Interests		5,060		-		-		5,060
Total Investments at								
Fair Value	\$	1,052,684	\$	1,047,624	\$	-	\$	5,060

Activity for the year ended June 30, 2023 in assets measured on a recurring basis using significant unobservable inputs (Level 3):

	В	alance			Cha	ange in	Ва	alance
	June	30, 2022	Purc	hases	Fai	r Value	June	30, 2023
Oil and Gas Interests	\$	5,642	\$		\$	(582)	\$	5,060

#### NOTE 4 PROPERTY AND EQUIPMENT

Property and equipment consist of the following at June 30, 2023

Land	\$ 922,563
Buildings	8,208,570
Leasehold Improvements	836,700
Furniture and Equipment	1,263,241
Assets in Progress	232,491
Vehicles	1,976,933
Total Property and Equipment	13,440,498
Less: Accumulated Depreciation and Amortization	(7,268,628)
Property and Equipment, Net	\$ 6,171,870

Depreciation expense was \$549,761 for the year ended June 30, 2023.

#### NOTE 5 NET ASSETS

The following is a summary of net assets with donor restrictions at June 30, 2023:

Specific Purpose:	
Capital Campaign	\$ 163,562
Cooking with the Stars	1,337
Blues in Bisbee	3,566
Sibling Reunion Picnics	1,655
Bags for Kids (Divas)	4,486
Total	\$ 174,606

Net assets released from donor restrictions are as follows:

Satisfaction of Purpose Restrictions:	
Semi-Independent Living	\$ 2,026
El Tour de Tucson	460
Community Living Meal and Nutrition Planning	10,000
Hearing and Vision Scanners	13,800
Behavioral Health	2,926
Aviva Children's Emergency Needs	32,029
Sibling Reunion Picnics	5,892
Bags for Kids (Divas)	2,251
Holiday and Toy Program	169,415
Lifebooks	1,085
Behavior Health - Ranch	 10,000
Total	\$ 249,884

#### NOTE 6 LEASES

The Organization leases equipment, vehicles, and real estate for various terms under long-term, noncancelable lease agreements. The leases expire at various dates through 2035 and provide for renewal options. In the normal course of business, it is expected that these leases will be renewed or replaced by similar leases.

The following table provides quantitative information concerning the Organization's leases as of or for the year ended June 30, 2023:

Lease Costs:	
Operating Lease Costs	\$ 1,838,969
Short-Term Lease Costs	 188,907
Total lease costs	\$ 2,027,876
Other Information:	
Operating Cash Flows for Operating Leases	\$ 1,858,652
Right-of-Use Assets Obtained in Exchange for New	
Operating Lease Liabilities	4,959,958
Weighted-Average Remaining Lease Term - Operating	
Leases	3.05 years
Weighted-Average Discount Rate - Operating	3.22%

A maturity analysis of annual undiscounted cash flows for lease liabilities as of June 30, 2023 is as follows:

Year Ending June 30,	Amount	
2024	\$	1,652,690
2025		973,201
2026		551,421
2027		305,860
2028		256,712
Thereafter		25,892
Total Lease Payments		3,765,776
Less: Interest		(238,028)
Present Value of Lease Liabilities	\$	3,527,748

#### NOTE 7 NOTES PAYABLE

Notes payable consists of the following at June 30, 2023:

<u>Description</u>	Amount
Note payable to Bank of West dated December 24, 2018. Monthly installments of \$12,185 at 5.79% interest, with a final balloon payment of approximately \$1,467,933 due December 24, 2028. Collateralized by a deed of trust on real property and assignment of rents.	\$ 1,738,612
Less: Current Portion	 (44,988)
Notes Payable, Noncurrent, Net	\$ 1,693,624

The future scheduled maturities of notes payable are as follows:

Year Ending June 30,	_	Amount		
2024	_	\$ 44,988		
2025			48,074	
2026			50,973	
2027			54,048	
2028			57,062	
2028			1,483,467	
Total	_	\$	1,738,612	

#### **Note Covenants**

The Organization is required to maintain a fixed charge ratio of at least 1.10 to 1.00 and a debt to net worth ratio of not more than 0.65 to 1.00 as measured at each fiscal year-end. In the opinion of management, the Organization was in compliance with both covenants at June 30, 2023.

#### NOTE 8 CONCENTRATIONS

The Organization receives significant amounts (greater than 10%) of revenue from grants and contracts as follows.

Funding Source	Revenues	Percentage
Arizona Department of Economic Security	\$ 15,363,029	31%
Arizona Complete Health	7,324,471	15%
Banner Health Network	5,422,652	11%
Mercy Care	5,362,076	11%

#### NOTE 8 CONCENTRATIONS (CONTINUED)

As of June 30, 2023, significant receivables related to grants and contracts were due from:

Funding Source	Receivables	Percentage
Arizona Department of Economic Security	\$ 1,491,856	25%
Arizona Complete Health	1,216,346	21%
United Healthcare	623,388	11%
Mercy Care	626,819	11%

#### NOTE 9 COMMITMENTS AND CONTINGENCIES

From time to time, the Organization may be party to certain pending or threatened lawsuits arising out of or incident to the ordinary course of business for which it carries general liability and other insurance coverages. In the opinion of management and based upon consultation with legal counsel, resolution of any pending or threatened lawsuits will not have a material adverse effect on the Organization's consolidated financial statements.

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies, principally the federal government. Any disallowed claims, including amounts already collected, may constitute a liability of the Organization. In the opinion of management, the liability, if any, for such contingencies will not have a material effect on the Organization's financial position.

#### NOTE 10 EMPLOYEE BENEFIT PLANS

#### **Tax-Deferred Annuity Plan**

The Organization has a tax-deferred annuity plan that qualifies under Section 403(b) of the IRC. The plan covers full-time employees of the Organization. At the board of directors' discretion, the Organization may match employee contributions at the rate of \$0.50 per \$1.00 up to a maximum of 6% of gross salaries to the plan for qualified employees. Employees can elect to make contributions to the plan up to the maximum amount allowed by the IRC. Plan expenses were \$259,698 for the fiscal year.

#### **Deferred Compensation Plan**

The Organization has a 457(b) eligible deferred compensation plan (457(b) Plan) that allows eligible employees to defer pretax annual compensation up to certain limitations imposed by the IRS. The 457(b) Plan covers employees of the Organization whose annual salary is in excess of limits imposed by the IRS. The Organization reports assets and liabilities of equal amounts attributable to the amount deferred and the related investment earnings. The Organization's invested deferred compensation assets consist of mutual funds which are classified as level 1 securities in accordance with U.S. GAAP. The balance in the deferred compensation plan as of June 30, 2023 is \$1,020,814.

#### NOTE 10 EMPLOYEE BENEFIT PLANS (CONTINUED)

#### <u>Deferred Compensation Plan (Continued)</u>

Deferred compensation activity for the year ended June 30, 2023 consists of the following:

Balance - Beginning of Year	\$ 833,119
Employer Contributions	40,654
Employee Contributions	40,654
Change in Fair Value	 106,387
Balance - End of Year	\$ 1,020,814

#### **NOTE 11 RISK MANAGEMENT**

The Organization maintains a self-insurance program for its employees' health care costs. The Organization is liable for losses on claims up to \$75,000 per claim and \$2,514,715 in total for the year. The Organization has third party insurance coverage for any losses in excess of such amounts. Self-insurance costs are accrued based on claims reported as of the consolidated statement of financial position date as well as an estimated liability for claims incurred but not reported, with a two-year lookback. The total accrued liability for self-insurance costs was \$304,625 as of June 30, 2023 and is included in other accrued expenses on the consolidated statement of financial position.

#### NOTE 12 CONTRIBUTED NONFINANCIAL ASSETS

The Organization received the following contributions of nonfinancial assets during the fiscal year, which were utilized for the program or supporting service indicated:

	Program Services			Supporting			
	Children and Family Services	Behavioral Health	Employment and Community Living	Foster Care Services	Management and General	Fundraising	Total
Auction Items	\$ -	\$ -	\$ -	\$ -	\$ -	\$ 43,267	\$ 43,267
Books and Publications	1,535	-	-	884	-	-	2,419
Clothing and Household Goods	3,710	956	1,365	401,427	-	-	407,458
Food Supply	3,982	10,188	52,443	21,682	5,006	3,480	96,781
Gift Cards	1,330	-	100	3,675	-	873	5,978
Marketing	600	125	-	-	650	3,840	5,215
Program Supplies	1,819	2,031	2,089	21,111	-	4,170	31,220
Small Equipment and Furniture	_		548		3,000		3,548
Total	\$ 12,976	\$ 13,300	\$ 56,545	\$ 448,779	\$ 8,656	\$ 55,630	\$ 595,886

Contributed nonfinancial assets received by the Organization are recorded as in-kind contribution revenue with a corresponding in-kind expense. Contributed nonfinancial assets are valued at retail prices that would be received for similar products. There was no donor-imposed restrictions associated with the donated goods. There were no contributed nonfinancial assets monetized during the year ended June 30, 2023.

### INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

Board of Directors
Easterseals Blake Foundation and Affiliates
Tucson, Arizona

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the consolidated financial statements of Easterseals Blake Foundation and Affiliates, which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the consolidated financial statements, and have issued our report thereon dated September 25, 2024.

#### Report on Internal Control Over Financial Reporting

In planning and performing our audit of the consolidated financial statements, we considered Easterseals Blake Foundation and Affiliates' internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the consolidated financial statements, but not for the purpose of expressing an opinion on the effectiveness of Easterseals Blake Foundation and Affiliates' internal control. Accordingly, we do not express an opinion on the effectiveness of Easterseals Blake Foundation and Affiliates' internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's consolidated financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

#### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether Easterseals Blake Foundation and Affiliates' consolidated financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the consolidated financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

### INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM, REPORT ON INTERNAL CONTROL OVER COMPLIANCE, AND REPORT ON SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS REQUIRED BY THE UNIFORM GUIDANCE

Board of Directors
Easterseals Blake Foundation and Affiliates
Tucson, Arizona

#### Report on Compliance for Each Major Federal Program Opinion on Each Major Federal Program

We have audited Easterseals Blake Foundation and Affiliates' compliance with the types of compliance requirements identified as subject to audit in the OMB Compliance Supplement that could have a direct and material effect on each of Easterseals Blake Foundation and Affiliates' major federal programs for the year ended June 30, 2023. Easterseals Blake Foundation and Affiliates' major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs

In our opinion, Easterseals Blake Foundation and Affiliates complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2023.

#### Basis for Opinion on Each Major Federal Program

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America (GAAS); the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States (Government Auditing Standards); and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Our responsibilities under those standards and the Uniform Guidance are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of Easterseals Blake Foundation and Affiliates and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program. Our audit does not provide a legal determination of Easterseals Blake Foundation and Affiliates' compliance with the compliance requirements referred to above.

#### Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules and provisions of contracts or grant agreements applicable to Easterseals Blake Foundation and Affiliates' federal programs.

#### Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on Easterseals Blake Foundation and Affiliates' compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS, *Government Auditing Standards*, and the Uniform Guidance will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material, if there is a substantial likelihood that, individually or in the aggregate it would influence the judgment made by a reasonable user of the report on compliance about Easterseals Blake Foundation and Affiliates' compliance with the requirements of each major federal program as a whole.

In performing an audit in accordance with GAAS, Government Auditing Standards, and the Uniform Guidance, we

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding Easterseals Blake Foundation and Affiliates' compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of Easterseals Blake Foundation and Affiliates' internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of Easterseals Blake Foundation and Affiliates' internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

#### Report on Internal Control Over Compliance

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A material weakness in internal control over compliance is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

#### Report on Internal Control Over Compliance (Continued)

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance may exist that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.

#### Report on Schedule of Expenditures of Federal Awards Required by the Uniform Guidance

We have audited the consolidated financial statements of Easterseals Blake Foundation and Affiliates as of and for the year ended June 30, 2023, and have issued our report thereon dated September 25, 2024, which contained an unmodified opinion on those consolidated financial statements. Our audit was conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by the Uniform Guidance and is not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards is fairly stated in all material respects in relation to the consolidated financial statements taken as a whole.

### EASTERSEALS BLAKE FOUNDATION AND AFFILIATES NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS JUNE 30, 2023

#### NOTE 1 BASIS OF PRESENTATION

The accompanying Schedule of Expenditures of Federal Awards (the Schedule) includes the federal grant activity of Easterseals Blake Foundation and Affiliates (the Organization) under programs of the federal government for the year ended June 30, 2023. The information in the Schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of the Organization it is not intended to and does not present the financial position, changes in net position or cash flows of the Organization.

#### NOTE 2 SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Expenditures reported on the Schedule are reported on the full accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement. Any negative amounts shown on the Schedule represent adjustments or credits made in the normal course of business to amounts reported as expenditures in prior years. Pass-through entity identifying numbers are presented where available.

The auditee elected not to use the de minimis cost rate.

#### NOTE 3 ASSISTANCE LISTING NUMBERS

The program titles and Assistance Listing numbers were obtained from the federal or pass-through grantor or through sam.gov. If the three-digit Assistance Listing extension is unknown, there is a U followed by a two- digit number in the Assistance Listing extension to identify one or more Federal award lines from that program. The first Federal program with an unknown three-digit extension is indicated with U01 for all award lines associated with that program, the second is U02, etc.
