Independent Auditor's Report

RSM US LLP

To the Board of Directors Easterseals

Opinion

We have audited the consolidated financial statements of Easter Seals, Inc. and Easter Seals Foundation (collectively, Easterseals), which comprise the consolidated statements of financial position as of December 31, 2021 and 2020, and the related consolidated statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the consolidated financial statements (collectively, the financial statements).

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of Easterseals as of December 31, 2021 and 2020, and changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Easterseals and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Easterseals' ability to continue as a going concern within one year after the date that the financial statements are issued or available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

THE POWER OF BEING UNDERSTOOD AUDIT | TAX | CONSULTING

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Easterseals' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Easterseals' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

RSM US LLP

Notes to Consolidated Financial Statements

Note 1. Nature of Organization and Summary of Significant Accounting Policies

Nature of the organization: Easter Seals, Inc. is a leading nonprofit provider of services for individuals with autism, developmental disabilities, physical and mental disabilities, and other special needs. For more than 100 years, Easter Seals, Inc. and Easter Seals Foundation (collectively referred to as Easterseals) has been offering help and hope to children and adults living with disabilities and to their families. Easter Seals Foundation exists to support Easter Seals, Inc. and while the Foundation has been inactive, there are plans to reactivate its objective which is to raise funds to further Easter Seals, Inc.'s initiatives and programs.

Through therapy, training, education, and support services, Easterseals is leading the way to full equity, inclusion, and access to education, healthcare, and employment opportunities so that people with disabilities can fully participate in their communities.

Through its National Office and its network of 70 Affiliates, Easterseals provides services and supports to individuals with disabilities and their families across the United States.

Easter Seals, Inc. and its Affiliates s are each separately incorporated and are tax exempt under the provisions of Section 501(c)(3) of the U.S. Internal Revenue Code, and are therefore exempt from taxation under current income tax laws. Easterseals' consolidated financial statements do not include the accounts of these Affiliates s because they do not meet the criteria requiring consolidation. Each Affiliates is a separately incorporated entity, has its own independent board of directors, conducts service programs independent of those of Easter Seals, Inc., and maintains its own separate accounts. Each of the Affiliates pays an annual membership fee to Easter Seals, Inc.; membership agreements between Easter Seals, Inc. and the Affiliates describe various obligations, terms, and conditions of Easter Seals, Inc. and its Affiliates.

Easterseals conducts a comprehensive national direct-response fundraising and public education campaign (National Campaign) in accordance with Easterseals' charitable goals and objectives outlined in its by-laws. Easterseals does not serve as an agent for its Affiliates in conducting the National Campaign, but rather raises funds for Easterseals in cooperation with its Affiliates. The National Campaign and the funds raised in the National Campaign are managed and distributed in accordance with the policies and procedural guidelines agreed to by Easterseals and its Affiliates.

Summary of Significant Accounting Policies

Accounting policies: Easterseals follows accounting standards established by the Financial Accounting Standards Board (the FASB) to ensure consistent reporting of financial position, results of activities, and cash flows. References to Generally Accepted Accounting Principles (GAAP) in these footnotes are to the FASB Accounting Standards Codification, sometimes referred to as the Codification or ASC.

Basis of consolidation: The accompanying consolidated financial statements include the consolidated accounts of Easter Seals, Inc. and Easter Seals Foundation. Easter Seals, Inc. has a controlling financial interest and an economic interest in Easter Seals Foundation and, therefore, presents consolidated financial statements. All significant intercompany accounts and transactions have been eliminated in consolidation.

Notes to Consolidated Financial Statements

Note 1. Nature of Organization and Summary of Significant Accounting Policies (Continued)

Cash and cash equivalents: Cash and cash equivalents include highly liquid short-term investments with maturities of 90 days or less from the date of purchase with the exception of cash held for reinvestment, which is included in investments. Easterseals maintains its cash balance in financial institutions, which at times may exceed federally insured limits. Easterseals has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash.

Investments: Investments in marketable securities are recorded at fair value based on quoted market prices. Changes in fair value are recorded as unrealized gains (losses) and are included in investment return. Investments are exposed to various risks such as interest rate, market, and credit risks. It is at least reasonably possible that changes in values of investments will occur in the near term and that such changes could materially affect the amounts reported.

Accounts receivable from Affiliates: Affiliate receivables are carried at original invoice amount less an estimate for doubtful receivables (allowance) based on a monthly review of all outstanding amounts. Management determines the allowance for doubtful accounts by identifying troubled accounts and considering historical experience. Affiliate receivables are written off when deemed uncollectible. Recoveries of Affiliate receivables previously written off are recorded when received.

As required by the by-laws, any unpaid Affiliate receivable balance, which became due and payable within any fiscal year, shall be paid by January 31 of the following fiscal year, unless Easterseals approved an arrangement for payment at a later date. Non-payment of a past due account may result in a reclassification of the Affiliate's membership status.

Equipment and leasehold improvements: Furniture, fixtures, computer equipment, software and leasehold improvements are stated at cost. Contributions of long-lived assets are recorded at the estimated fair market value at the date of receipt and are recorded as unrestricted support unless the use of such contributed assets is restricted by a donor-imposed restriction. If donors contribute long-lived assets with stipulations as to how long the asset must be used or with any other restrictions, such contributions are reported as support with donor restrictions. Certain computer equipment is leased under capital leases for three to five years, which requires Easterseals to pay all maintenance costs. Expenditures for maintenance and repairs are expensed as incurred and expenditures for major renovations are capitalized.

Easterseals regularly evaluates whether circumstances have occurred that would indicate the remaining estimated useful life of long-lived assets may warrant revision or that the remaining balance of such assets may not be recoverable. When factors indicate that such assets should be evaluated for possible impairment, Easterseals uses an estimate of the undiscounted cash flows over the remaining life of the assets in measuring whether the assets are recoverable. In the opinion of management, no impairment adjustments were required at December 31, 2021 or 2020.

Depreciation and amortization is computed using the straight-line method over the estimated useful lives of the assets. Leased assets' amortization is included in depreciation expense. The estimated useful lives are:

Leasehold improvements
Furniture and fixtures
Computer equipment and software

Life of lease 5 - 11 years 3 - 5 years

Notes to Consolidated Financial Statements

Note 1. Nature of Organization and Summary of Significant Accounting Policies (Continued)

Other assets: Easterseals' domain name is considered an intangible asset with an indefinite life. Easterseals reviews the intangible asset for impairment on or about December 31 of each year. Recoverability for this asset is measured by comparing its carrying amount to the fair value. If the intangible is considered impaired, the impairment to be recognized equals the amount by which the carrying value of the asset exceeds its fair market value. Easterseals did not record any impairment charges during 2021 or 2020.

Pledges receivable: Pledges that are expected to be collected in future years are recorded at the present value of the estimated future cash flows. Pledges receivable have been discounted using rates that approximate the risk associated with the ultimate collection of the receivable. The discount is amortized using an effective yield over the expected collection period of the receivable. As of December 31, 2021, pledges receivable of \$1,500,000 is expected to be received within one year. In 2021 and 2020, no pledges were deemed uncollectible and written off.

Beneficial interest in trusts: Easterseals has been designated as the beneficiary of assets held in remainder trusts administered by other trustees. Easterseals recognize contribution revenue with donor restrictions and an asset for the present value of the estimated future benefits to be received when the trust assets are distributed. Adjustments to the receivable to reflect the revaluation of the present value of the estimated future payments to Easterseals are recognized in the consolidated statement of activities as a change in value of split-interest agreements.

Easterseals has also been designated as the beneficiary of perpetual irrevocable trusts which are administered by other trustees. Under the terms of the trusts, Easterseals has the irrevocable right to receive all or a portion of the income earned on the trust assets in perpetuity. Easterseals does not control the assets held by the outside trusts. The fair value of the beneficial interest in the trusts is recognized as an asset and as a permanently restricted contribution at the date the trust is established. Adjustments to the beneficial interest to reflect changes in the fair value are reflected in the consolidated statement of activities as net unrealized gains on perpetual trusts. Annual distributions from the trust are reported as investment returns in the consolidated statement of activities.

Charitable gift annuities: Annuity agreements are issued in exchange for a payment that constitutes part charitable contribution and part purchase of an annuity, providing for payments to the stated annuitants during their lifetimes. These agreements constitute a general obligation of Easterseals. The gift portion of annuities and investment reserves in excess of liabilities are reported as a contribution in unrestricted net assets. Sufficient assets are maintained to meet the annuity requirements stipulated by the various state laws. Easterseals is required to hold reserves related to the gift annuity program based on the laws in certain states in which Easterseals solicits these gifts.

Net assets: Easterseals classifies its net assets, revenue, gains and losses based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of Easterseals are reported as follows:

Without donor restrictions: Net assets composing of all resources that are not subject to donor-directed restrictions, such as expendable resources used to support Easterseals' core activities. All expenses are recorded as a reduction of net assets without donor restrictions.

With donor restrictions: Net assets subject to donor-imposed restrictions carry restrictions that expire upon passage of a prescribed period or upon the occurrence of a stated event as specified by the donor, at which time they are reclassified to net assets without donor restrictions and reported as net assets released from restrictions.

Notes to Consolidated Financial Statements

Note 1. Nature of Organization and Summary of Significant Accounting Policies (Continued)

Included in net assets with donor restrictions are gifts held by Easterseals pending their use in accordance with donor stipulations and unexpended gifts from pledges and living trust agreements where the principal is expendable upon redemption or maturity. Contributions received with donor-imposed restrictions that are met in the same reporting period are reflected as an addition and reduction to net assets with donor restrictions. Also included in this category are net assets subject to donor-directed restrictions to be maintained in perpetuity by Easterseals.

Contributions: Contributions are recognized when an unconditional promise to give is made (pledge receivable) or when cash is received, if an unconditional promise does not exist. Contributions include bequests, which are recorded at their estimated fair value when Easterseals has received an unconditional promise to give. Easterseals considers a bequest unconditional when the probate court declares the testamentary instrument valid and the proceeds are measurable.

In the year ended December 31, 2020, Easterseals received a onetime unrestricted \$15,000,000 contribution for Easterseals to continue its mission. This contribution is recorded in the 2020 consolidated statement of activities and changes of net assets in the contributions line item.

Government grants: Easterseals records revenue under government grant agreements based on their respective terms. Government grants are primarily conditional contributions which are recognized when the barriers have been substantially met (generally when qualifying expenses have been incurred and all other grant requirements have been met). Easterseals has received conditional commitments, which generally represent unexpended government grants, amounting to \$12,941,000 which have not been recognized, because Easterseals has not yet met the related barriers. These amounts will be subject to recognition as Easterseals incurs qualifying expenses and performs its duties under the terms of the grant agreements. Easterseals has elected the practical expedient allowing for simultaneous release from restriction when the conditions are met; therefore, government grant revenue is recorded as revenue without donor restrictions. Easterseals receives a substantial amount of its operating support from the federal government. Any significant reduction in the level of this support could have an effect on Easterseals' programs.

In-kind contributions: Easterseals records, as in-kind contributions, contributions of fundraising material, informational material, or advertising, including media time or space for public service announcements or other purposes, that are used for Easterseals' benefit and that encourage the public to contribute to Easterseals or help Easterseals communicate its message or mission. Easterseals will not record a contribution in circumstances in which Easterseals is unable to have an active involvement in determining and managing the message and the use of the materials. In-kind contributions in 2021 and 2020 primarily relate to public service announcements for Easterseals. These contributions are recorded at fair value, which is based on the number of airings and average market media prices obtained from the nation's largest media buying sources. The in-kind contributions are in effect offset by like amounts included in public health education and advocacy for persons with disabilities and research in the consolidated statement of activities and changes in net assets, as well as in printing and media expense in the consolidated statement of functional expenses.

Membership fees from Affiliates: Membership fees are recognized in the month for which the membership applies, and Affiliates are invoiced at the beginning of each month. Monthly fees per Affiliate include a base fee plus supplementary fees for major markets included in that Affiliate's assigned territory. Major markets are defined as the most populous counties in the nation as determined by the U.S. Census Bureau Population Estimates Program. All performance obligations are met during the month for which the membership applies and therefore, at year end, Easterseals does not have any outstanding performance obligations.

Notes to Consolidated Financial Statements

Note 1. Nature of Organization and Summary of Significant Accounting Policies (Continued)

Sales and services to Affiliates: Sales and services to Affiliates are recognized when the related services are provided, at which time the performance obligations are met. Sales and services may include registration fees for events, website management fees, planned giving management, and various fees for Easterseals articles. As of December 31, 2021 and 2020, Easterseals does not have any outstanding performance obligations.

The revenue streams noted above do not include significant financing components as performance obligations are satisfied within a year of invoicing. Also, there are no consideration amounts that are variable.

Operating expenses: Operating expenses are presented in the consolidated statement of activities on a functional basis, classified according to the significant program activity related to the purpose for which Easterseals exists or supporting service. The consolidated financial statements report certain categories of expenses that are attributed to more than one program of supporting function. Therefore, expenses require allocation on a reasonable basis that is consistently applied. The expenses that are allocated include salaries and related expenses, which are allocated on the basis of actual time and effort, office supplies, software, insurance, occupancy, depreciation, and telephone, which are allocated by department headcounts.

The significant activities are:

Program Development: Funds, leadership, and assistance to provide services for children and adults with autism and other disabilities. Primary services are medical rehabilitation, job training and employment, inclusive child care, adult day services, and camping and recreation. Building from Easterseals' expertise, Easterseals is focusing on four service areas of critical importance: young children, older adults, people living with autism, and military service members and veterans.

Professional Education and Training: Activities to improve the knowledge, skills, and critical judgment of Affiliate staff, volunteers, caregivers, and other health and education professionals.

Fundraising Advisory: Training and consultation with Easterseals' Affiliates to strengthen their relationships with donors and make the general public aware of the needs of children and adults with disabilities and their families.

Management Advisory: Managing Easterseals' brand and membership standards with Affiliates; consulting on general management issues, including Easterseals' best practices for service delivery, board development, and doing business as a nonprofit: finance and accounting, budgeting, strategic planning, and personnel selection.

Public Health Education: Creating a public awareness about individuals living with disabilities and the issues they face through multi-media public education campaigns, community advocacy, and by providing up-to-date resources about disabilities, disability awareness, opportunities, universal design, and other relevant topics. The primary focus is on young children, older adults, people living with autism, and military service members and veterans with disabilities.

Advocacy for Persons with Disabilities and Research: Activities to assure equal access and opportunities for people with disabilities, and awards, grants, and/or activities to support studies or investigations in the physical and social sciences that seek new evidence-based knowledge to benefit children and adults with disabilities, their families, and the personnel that serve them.

Notes to Consolidated Financial Statements

Note 1. Nature of Organization and Summary of Significant Accounting Policies (Continued)

Grants and awards: Grants and awards to Affiliates for program development purposes are considered unconditional and are recognized as expense once a grant or award has been made. The discount is amortized using an effective yield over the expected life of the awards and grants contracts and is reflected as program service expense.

Income taxes: Easter Seals, Inc. and Easter Seals Foundation are exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and applicable state law, except for taxes pertaining to unrelated business income, if any.

The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, Easter Seals, Inc. and Easter Seals Foundation may recognize the tax benefit from an uncertain tax position only if it is more-likely-than-not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of Easter Seals, Inc. and Easter Seals Foundation and various positions related to the potential sources of unrelated business taxable income (UBIT). There were no unrecognized tax benefits identified or recorded as liabilities for the reporting periods presented in these consolidated financial statements.

Easter Seals, Inc. and Easter Seals Foundation file Form 990 in the U.S. federal jurisdiction and the State of Illinois.

Use of estimates: The preparation of financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results may differ from those estimates.

Pending accounting pronouncements: In February 2016, the FASB issued ASU 2016-02, *Leases (Topic 842)*. The guidance in this ASU supersedes the leasing guidance in Topic 840, *Leases*. Under the new guidance, lessees are required to recognize lease assets and lease liabilities on the statement of financial position for all leases with terms longer than twelve months. Leases will be classified as either finance or operating, with classification affecting the pattern of expense recognition in the consolidated statement of activities. The new standard is effective for Easterseals in 2022. Easterseals is currently evaluating the impact of the adoption of this standard on its consolidated financial statements.

In September 2020, the FAS issued ASU 2020-07, *Not-for-Profit Entities (Topic 958): Presentation and Disclosures by Not-For-Profit Entities for Contributed Nonfinancial Assets*. This ASU requires a not-for-profit entity to present contributed nonfinancial assets in the statement of activities as a line item that is separate from contributions of cash or other financial assets. The ASU also requires a not-for-profit entity to disclose contributed nonfinancial assets received disaggregated by category that depicts the type of contributed nonfinancial assets. The new standard is effective for Easterseals in 2022. Easterseals is currently evaluating the impact of the adoption of this standard on its consolidated financial statements.

Risks and uncertainties: The COVID-19 pandemic has developed rapidly in 2020 and continued throughout 2021. Measures taken by various governments to contain the virus have affected every aspect of the economy. Easterseals took a number of measures to monitor and mitigate the effects of COVID-19, such as safety and health measures for employees and clients (such as social distancing and working from home) and assistance programs for our Affiliate organizations. The impact on Easterseals business and financial results due to the pandemic have not been significant. Easterseals will continue to follow the various government policies and advice and, in parallel, will continue operations in the best and safest way possible without jeopardizing the health of Easterseals employees.

Notes to Consolidated Financial Statements

Note 1. Nature of Organization and Summary of Significant Accounting Policies (Continued)

Subsequent events: Easterseals has evaluated subsequent events for potential recognition and/or disclosure through June 21, 2022, the date the consolidated financial statements were available to be issued.

Note 2. Financial Assets and Liquidity Resources

The table below presents information related to financial assets available for general expenditures within one year at December 31, 2021:

	2021	2020
Financial assets, at year-end:		
Cash and cash equivalents	\$ 3,607,600	\$ 19,053,700
Investments	27,836,700	8,558,500
Accounts receivable from affiliates	290,400	157,600
Government grants and contract receivable	2,393,800	2,510,000
Pledges receivable, net	1,500,000	-
Other accounts receivable, net	571,400	750,200
Investments for charitable gift annuities	1,311,400	1,359,600
Beneficial interest in trusts	 2,562,700	2,513,500
	 40,074,000	34,903,100
Less amounts not available to be used within one year:		
Other accounts receivable due after one year	-	(30,800)
Net assets with donor restrictions	(6,362,900)	(3,196,400)
Charitable gift annuities	 (1,311,400)	(1,359,600)
Financial assets available to meet cash needs for general		
expenditures within one year	\$ 32,399,700	\$ 30,316,300

Easterseals liquidity management plan is to utilize cash in excess of daily requirements to reduce the pension liability and increase reserves.

Note 3. Beneficial Interest in Trusts

Easterseals' beneficial interest in charitable remainder trusts are summarized as follows:

		Principal					
	Discount Rate	Amount 2021	Remaining Years		Fair Value 2021	F	Fair Value 2020
1998 Charitable remainder trust	1.55%	\$ 1.682.500	15	Ф	222.600	\$	225.400

				\$	1,144,600	\$	1,211,100

Notes to Consolidated Financial Statements

Note 3. Beneficial Interest in Trusts (Continued)

Easterseals' beneficial interest in perpetual trusts is summarized as follows:

	Principal Amount 2021	Easter Seals Interest	Fair Value 2021	Fair Value 2020
2011 Perpetual Trust 2011 Perpetual Trust 2011 Perpetual Trust	\$ 972,000 3,718,600 74,200	100% 10% 100%	\$ 972,000 371,900 74,200	\$ 896,000 343,900 62,500
2011 Felpetual Hust	74,200	100 % _	\$ 1,418,100	\$ 1,302,400

Contribution revenue recognized in the consolidated statements of activities related to the above beneficial interest in trusts was \$0 for the years ended December 31, 2021 and 2020.

Note 4. Fixed Assets

Fixed assets are summarized by major classification, net of accumulated depreciation and amortization, as follows:

		2021		2020
Leasehold improvements	\$	1,262,000	\$	1,262,000
Furniture and fixtures	Ψ	447,500	Ψ	447,500
Computers, equipment and software		1,196,200		1,191,900
		2,905,700		2,901,400
Accumulated depreciation and amortization		(1,572,700)		(1,276,100)
Total fixed assets	\$	1,333,000	\$	1,625,300

Software amortization expense for the years ended December 31, 2021 and 2020, was \$114,200 and \$83,200, respectively. Total accumulated software amortization expense for the years ended December 31, 2021 and 2020, was approximately \$372,900 and \$258,700, respectively.

Notes to Consolidated Financial Statements

Note 5. Fair Value Disclosures

The Fair Value Measurements and Disclosures Topic of the Codification defines fair value as the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date and sets out a fair value hierarchy. The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Inputs are broadly defined under the Topic as assumptions market participants would use in pricing an asset or liability. The three levels of the fair value hierarchy under the Topic are described below:

- **Level 1:** Quoted market prices in active markets, such as the New York Stock Exchange, for identical assets or liabilities.
- Level 2: Observable market based inputs or unobservable inputs that are corroborated by market data.
- **Level 3:** Unobservable inputs that are not corroborated by market data.

For the years ended December 31, 2021 and 2020, the application of valuation techniques applied to similar assets and liabilities has been consistent. The following is a description of the valuation methodologies used for instruments measured at fair value on a recurring basis:

Investment Securities

The fair value of publicly traded mutual funds is based upon market quotations of national security exchanges.

Certificates of Deposit

Certificates of deposit are recorded at cost and accrued interest which approximates fair value.

Beneficial Interest in Trusts

Nonperpetual trusts are recorded at their estimated fair value based on the present value of the estimated future cash receipts from the trust. Future cash receipts are based on an income approach using internally developed models. Assumptions are made regarding the expected rate of return on investments in the trust, the discount rate, and the expected mortality of the individual(s) if the termination of the agreement is dependent on life expectancy. An expected rate of return on the investments in the trusts is estimated using historical investment returns. The expected mortality is estimated using the Center for Disease Control life tables. Each of these calculations is based on the fair value of the underlying assets of the trust. As the fair value of these trusts is derived from internal estimates of the present value of Easterseals' interest in the underlying assets, the amounts ultimately received could differ from the amounts reflected in the historical consolidated financial statements.

Perpetual trusts are recorded at fair value based on Easterseals' interest in the fair value of the underlying trust assets.

Notes to Consolidated Financial Statements

Note 5. Fair Value Disclosures (Continued)

The following tables present Easterseals' fair value hierarchy for the investments as of December 31, 2021 and 2020:

				20	21			
			Quo	ted Prices in				
			Act	ive Markets	5	Significant		Significant

Balance, end of year	\$	2,562,700	\$	2,513,500	

Notes to Consolidated Financial Statements

Note 6. Investment Returns and Net Unrealized Gains on Perpetual Trusts

Investment returns recorded in the consolidated statements of activities and changes in net assets are as follows:

	 2021	2020	
Interest and dividends	\$ 296,900	\$ 177,400	
Perpetual trust interest and dividends	54,100	53,800	
Realized and unrealized gains	119,700	302,400	
Perpetual trust unrealized gain	 115,700	109,000	
	\$ 586,400	\$ 642,600	

Note 7. Debt

Easterseals had an available \$6,500,000 bank line of credit in 2020 which expired on July 3, 2021 and was not renewed. There were no borrowings under this line of credit during 2021.

Note 8. Affiliates

Easterseals requires each Affiliate to submit its annual audited financial statements, its annual return of organization exempt from income tax (Form 990, filed with the Internal Revenue Service), and an Easterseals data template, by certain dates during each year. Easterseals headquarters reviews the audited consolidated financial statements and agrees the information to the template to ensure accuracy. The information is then aggregated and included in Easterseals' non-audited annual report. This unaudited financial information, summarized for the most recent annual reporting periods (2020 and 2019), is as follows:

	(Unaudited)			
	 2020	2019		
Total assets	\$ 1,720,786,000	\$ 1,743,558,000		
Total liabilities	561,262,000	555,247,000		
Total net assets ⁽¹⁾	1,159,524,000	1,188,311,000		
Total revenues	1,877,329,000	2,225,411,000		
Total expenses and other changes in net assets	1,838,142,000	2,183,299,000		

(1) Balances reflected above are aggregate totals for Affiliates reporting in each year.

The nature of Easterseals' relationship with its Affiliates, as described in the membership agreements, does not require consolidation under accounting principles generally accepted in the United States of America.

As participants in the Easterseals organization, Affiliates paid membership fees of \$4,952,900 and \$4,873,800 for 2021 and 2020, respectively. Accounts receivable balances from Affiliates, after allowances for uncollectible accounts, at December 31, 2021 and 2020, were \$290,400 and \$157,600, respectively. These amounts are classified in current assets based on timing of expected payments.

Notes to Consolidated Financial Statements

Note 8. Affiliates (Continued)

The aggregate amount of contributions and charitable gift annuities for which Easterseals is obligated to its Affiliates as of December 31, 2021 and 2020, are \$386,600 and \$382,000, respectively. As of December 31, 2021 and 2020, the contributions and charitable gift annuities are payable as follows:

	 2021	
Gross amounts due in:		
One year	\$ - 3	\$ 500
One to five years	-	-
Thereafter	 386,600	381,500
Total	\$ 386,600	\$ 382,000

Note 9. Allocation of Joint Information Costs

For the years ended December 31, 2021 and 2020, Easterseals incurred joint program services costs of \$17,425,000 and \$16,371,200, respectively, for informational materials that included fundraising appeals. For 2021 and 2020, Easterseals allocated \$6,614,100 and \$6,647,400, respectively, to public health education and \$10,770,300 and \$9,701,000, respectively, to fundraising.

Note 10. Pension Plan

Easterseals has a defined benefit pension plan covering substantially all of its employees. Benefits are based on years of service and the employee's average compensation. Easterseals' funding policy has been to contribute annually an amount equal to at least the minimum amount required under the applicable employment retirement regulations. The plan was last amended effective April 30, 2012, freezing eligibility, compensation, and benefit accruals.

The following tables set forth the accumulated benefit obligation, projected benefit obligation, and the change in the plan assets of the defined benefit pension plan with measurement dates of December 31, 2021 and 2020. The tables also reflect the funded status of the plan, as well as recognized and unrecognized amounts in the consolidated statements of financial position.

Notes to Consolidated Financial Statements

-------------	-------------	-------------

Note 10. Pension Plan (Continued)			
		2021	2020
Accumulated benefit obligation	\$	36,654,700	\$ 38,777,500
Change in projected benefit obligation: Projected benefit obligation at beginning of year Interest cost Actuarial (loss) gain Benefits paid Projected benefit obligation at end of year	\$	38,777,500 888,200 (1,052,500) (1,958,500) 36,654,700	\$ 35,787,900 1,097,700 3,741,200 (1,849,300) 38,777,500
Change in plan assets: Fair value of plan assets at beginning of year Actual return on plan assets Employer contributions Benefits paid Fair value of plan assets at end of year		28,564,800 2,352,600 1,200,000 (1,958,500) 30,158,900	25,513,600 3,761,700 1,138,800 (1,849,300) 28,564,800
Reconciliation of funded status: Funded status Net amount recognized	\$	(6,495,800) (6,495,800)	\$ (10,212,700) (10,212,700)
Amounts recognized in statement of financial position consist of Noncurrent liabilities	f: \$	(6,495,800)	\$ (10,212,700)

Included in unrestricted net assets at December 31, 2021 and 2020, are unrecognized actuarial losses of \$11,088,300 and \$14,764,000, respectively, that have not been recognized in the net periodic pension cost.

The estimated net actuarial loss for this defined benefit pension plan that will be amortized from unrestricted net assets into net periodic benefit cost over the next fiscal year is \$1,075,700.

Changes in plan assets and benefit obligations recognized in unrestricted net assets during the reporting period include:

	2021	2020
Current year actuarial loss	\$ (1,942,500)	\$ 1,320,300
Amortization of net loss	 (1,643,200)	(1,465,500)
	\$ (3,585,700)	\$ (145,200)
Components of net periodic benefit cost:		
Interest cost	\$ 888,300	\$ 1,097,700
Expected return on plan assets	(1,462,700)	(1,340,700)
Amortization of actuarial loss	1,643,200	1,465,500
Net periodic benefit cost	\$ 1,068,800	\$ 1,222,500

Notes to Consolidated Financial Statements

Note 10. Pension Plan (Continued)

The weighted-average assumptions used in determining the actuarial present value of the projected benefit obligation were as follows:

	2021	2020	
Weighted-average discount rate	2.70%	2.35%	
Weighted-average rate of compensation increase	N/A	N/A	

The weighted-average assumptions used in determining the net periodic benefit cost were as follows:

<u>-</u>	2021	2020	
Weighted-average discount rate	2.35%	3.15%	
Weighted-average rate of compensation increase	N/A	N/A	
Weighted-average expected long-term rate of return on plan assets	6.00%	6.25%	

Easterseals determines the long-term expected rate of return on plan assets by examining historical capital market returns, correlations between asset classes, and the plan's normal asset allocation. Current and near-term market factors, such as inflation and interest rates, are then evaluated to arrive at the expected return on plan assets. Peer group or benchmarking data are also reviewed to ensure reasonable and appropriate assumptions.

Plan Assets

In 2017, Easterseals changed asset managers and separated the assets of the Master Trust into individual investment accounts for each pension plan. The investment accounts for each pension plan are now invested in pooled separate accounts. The following value of plan assets in 2021 and 2020 relate solely to the Easter Seals, Inc. Pension Plan. Following is a description of the valuation methodology used for assets measured at fair value at December 31, 2021 and 2020.

Shares of mutual funds: Valued at the closing price reported on the active market on which individual securities are traded.

Pooled separate accounts: Valued at the total of the net asset value (NAV) of shares of pooled separate accounts and cash held by the account at year-end. The Plan's interest in the pooled separate accounts is valued based on the information reported by the investment advisor. The NAV, as provided by the investment manager, is used as a practical expedient to estimating fair value. The NAV is based upon the fair value of the underlying investments comprising the fund less its liabilities.

Notes to Consolidated Financial Statements

⁽a) Certain investments that are measured at fair value using the net asset value per share (or its equivalent) practical expedient have not been categorized in the fair value hierarchy. The fair value amounts presented in the tables above are intended to permit reconciliation of the fair value hierarchy to plan assets.

Notes to Consolidated Financial Statements

Note 10. Pension Plan (Continued)

The following table summarizes investments measured at fair value based on NAV using the practical expedient as of December 31, 2021 and 2020:

	Fair Value		Un	funded	Redemption	Redemption	
	2021		2020	Con	nmitment	Frequency	Notice Period
Pooled Separate Accounts							
LargeCap S&P 500 Index SA (a)	\$ 1,375,800	\$	1,434,400	\$	-	daily	1 day
LDI Short Duration SA (b)	905,800		542,200		-	daily	1 day
LDI Medium Duration SA (c)	3,001,100		1,523,000		-	daily	1 day
LDI Long Duration SA (d)	13,808,000		7,276,300		-	daily	1 day
	\$ 19,090,700	\$	10,775,900	_			

- (a) LargeCap S&P 500 Index Separate Account includes investments in common stock of U.S. companies that have a market capitalization of more than \$16 billion.
- (b) LDI Short Duration Separate Account includes investments in fixed income securities considered to be investment grade quality which mature in less than 3 years. The portfolio also includes investments in U.S. Treasury bonds, bills and notes, and obligations of federal agencies and instrumentalities.
- (c) LDI Medium Duration Separate Account includes investments primarily in fixed income securities with maturities of 3-10 years.
- (d) LDI Long Duration Separate Account includes investments primarily in fixed income securities which mature in 13-15 years. In addition, it may invest in over the counter derivative instruments such as options and futures.

Easterseals employs a total return investment approach whereby a mix of equities and fixed income investment funds are used to maximize the long-term return of plan assets for a prudent level of risk. Risk tolerance is established through careful consideration of plan liabilities, plan funded status and corporate financial condition. The investment portfolio contains a diversified blend of equity and fixed income funds.

Contributions

Easterseals made contributions to the pension plan of \$1,200,000 and \$1,138,800 during the years ended December 31, 2021 and 2020, respectively. Easterseals plans on contributing \$1,200,000 to the plan in 2022.

Estimated Future Benefit Payments

Estimated future benefit payments are as follows:

Year ending December 31:

· · · · · · · · · · · · · · · ·	
2022	\$ 2,050,000
2023	2,040,000
2024	2,060,000
2025	2,050,000
2026	2,050,000
2027-2031	10,300,000

Notes to Consolidated Financial Statements

Note 11. Net Assets With Donor Restrictions

Net assets at December 31, 2021 and 2020, have been restricted by donors as follows:

	2021		2020	
Program restrictions:				
Advocacy	\$	59,200	\$ 59,200	
Geographic location		53,500	81,000	
Education		513,100	50,000	
Services for young children		2,969,300	289,900	
Services for veterans		10,000	10,000	
Endowment funds		20,000	20,000	
Beneficial interest in trusts		2,562,700	2,513,800	
Time restriction		175,100	172,500	
Totals	\$	6,362,900	\$ 3,196,400	

Net assets were released from donor restrictions when expenses were incurred to satisfy the restricted purposes specified by donors or time restrictions met for the years ended December 31, 2021 and 2020, as follows:

	2021		2020	
Program restrictions:				_
Geographic location	\$	27,500	\$	31,700
Education		103,700		23,800
Services for young children		470,600		155,900
Services for veterans		120,000		410,000
Time restriction		137,900		306,400
Totals	\$	859,700	\$	927,800

Beneficial interest in trusts consists of beneficial interest in perpetual trusts and a charitable remainder trust receivable. Easterseals does not consider its beneficial interest in perpetual trusts to be part of its endowment since it has no control over the assets included in the perpetual trusts. Easterseals' endowment consists of the donation to be held in perpetuity of \$20,000. The income generated from the fund is not donor restricted.

Note 12. Leases

Easterseals signed a 12-year lease agreement for new office space in November 2015. As an incentive for the new office space, the lessor paid \$1,165,900 for the lease termination penalty on Easterseals' old office space on behalf of Easterseals. The lease also provides Easterseals with a \$1,470,500 tenant improvement allowance. Lease incentives are recorded as deferred rent and other on the consolidated statements of financial position and amortized against rental expense over the life of the lease.

Base rent is recognized on a straight-line basis and rental expense for operating leases in Chicago amounted to \$485,200 for the years ended December 31, 2021 and 2020, respectively.

Notes to Consolidated Financial Statements

Note 12. Leases (Continued)

Easterseals has an operating lease for office space in Washington, D.C. which provides for annual base rent plus a pro rata share of real estate taxes and other operating expense as defined in the lease. An amendment to this lease started May 2016 which provided 11 months of rent abatement. Rent expense is recognized on a straight-line basis over the life of the lease and was \$587,000 for the years ended December 31, 2021 and 2020, respectively. This lease term is through June 2028. Beginning in May 2018, Easterseals began subleasing the office space. The sublease runs through June 2028 and provides for annual base rent plus the subtenants pro rate share of real estate taxes and other operating expenses. Rent income is recognized on straight-line bases over the life of the lease and was \$475,700 and \$470,100 for the years ended December 31, 2021 and 2020, respectively. Total minimum rentals remaining to be received over the life of the noncancellable sublease is expected to be \$3,149,300.

Easterseals entered into an operating lease for office space in Maryland in October 2019 which provides for annual base rent as defined in the lease. Rent expense is recognized on a straight-line basis over the life of the lease and was \$20,100 for the year ended December 31, 2020. This lease term ended on December 31, 2020.

Certain equipment is leased under agreements expiring in various years through 2022 and are recorded herein as capital leases.

Future minimum lease payments are as follows:

	Capital Leases		Operating Leases	
Year ending December 31:				
2022	\$	4,500	\$	1,326,700
2023		-		1,357,600
2024		-		1,386,700
2025		-		1,417,700
2026		-		1,449,500
2027-2028		-		2,629,000
Total minimum lease payments		4,500	\$	9,567,200
Less amounts representing interest		79		
Present value of net minimum lease payments	\$	4,421		

Note 13. Contingencies

Easterseals is occasionally party to lawsuits and claims arising out of the conduct of its business. Easterseals' management is of the opinion that the outcome of these matters will not have a material effect on the consolidated financial statements.
